The Florida State University is committed to a policy ensuring that individuals with disabilities are not discriminated against and that they have equal opportunity and equal access to all the rights and privileges enjoyed by those who are not disabled. The Florida State University will comply, with all applicable federal and state laws, regulations, policies, criteria, and standards which will provide, upon request, reasonable accommodations to individuals with disabilities. Also, the policy and procedure does not intend to expand what is required by law, but to provide procedures for implementation of reasonable accommodation requests.
